SUMMER

Cory Verner goes down the line.

Chrissy Frantz finally got asked out on a date.

Nicole Garcia, Chrissy Velez, and Meredith Rodenbaugh pose with their dirty laundry.

Motorcyclist, David Germain, flies through the air.

As the summer vacation came to an end and the 87-88 school year began, it was time for another 9 months of waiting for next summer. For some it meant studying for hours and playing sports after school with no time for anything else. To most of us, it meant more socializing, more time to sleep (during class) and just somewhere to be without getting into trouble, maybe. After a few weeks, summer was just an old memory. Just thinking of lying on the beach, being in Hawaii, or just staying out late on weeknights was enough to make us want to do it all over again.

Some of the things that went on this summer were going to the beach, camping at San Elijo, or in Baja, Mexico. Others enjoyed motorcycling around Valley Center, Glamis, and other dirt spots. One of the most exciting things for the jocks was the football Sierra trip. Overall, the majority of us thought that the parties were the best part of the summer.

The nightlife consisted of Monday and Tuesday nights at the movies when admission was only $2, dancing away at After Dark or Distillery East on Wednesday and Thursday nights when admission was free or at a discount price. Valley Parkway continued its popularity with several car and truck clubs cruising on Friday and Saturday nights. Quik Corner was still the main place to find out where the parties were.

For the less fortunate, some students spent their time working and staying white. But hey — this summer they will probably be pulling into Solana Beach with their new Porsches while the rest of us drive in our family mobiles.

No matter how the summer was spent, the majority of us sure had fun. And for those seniors who are graduating in 88, the memories made here will never be forgotten.

Now we know what the football team does in their spare time.

CAMPUS LIFE PROVIDES US WITH MANY MEMORIES. FOR SOME IT MAY HAVE BEEN THE PEP RALLIES, WHICH WERE SPENT CHEERING THE PATRIOTS ON TO VICTORY; FOR OTHERS IT WAS SOCIALIZING AT LUNCH AND BETWEEN PERIODS AND, ALTHOUGH THE CAMPUS WAS CLOSED AGAIN FOR THE THIRD YEAR, WE DID HAVE FOOD IMPORTED FROM THE REAL WORLD.

WE SHOWED OUR PATRIOT PRIDE BY DRESSING UP DURING SPIRIT WEEK, PARTICIPATING IN CLASS COMPETITIONS, AND BY JOINING VARIOUS CLUBS AND ACTIVITIES; SOME OF WHICH WERE THE PEP CLUB AND THE NEW SCIENCE CLUB.

DURING THE YEAR SENIORS CHERISHED THEIR LAST HIGH SCHOOL DAYS BEFORE MEETING THEIR NEXT CHALLENGE. JUNIORS EAGERLY WAITED TILL THEY COULD DO THE SAME, BUT WHILE WAITING HAD FUN AND ENJOYED THEMSELVES. SOPHOMORES HUNG AROUND TALKING, EATING, READING, LISTENING TO MUSIC, AND AVOIDING THE REALITIES OF HOMEWORK. MEANWHILE, FRESHMEN LEARNED THE ROPES FOR HIGH SCHOOL AND NERVOUSLY PRAYED THEY WOULD NOT BE THE NEXT PERSON INTRODUCED TO THE TRASHCAN.

NO MATTER WHAT CLASS YOU WERE IN, SENIOR TO FRESHMAN, WE PATRIOTS PROVED THAT WE REALLY KNOW HOW TO HAVE FUN ON CAMPUS.

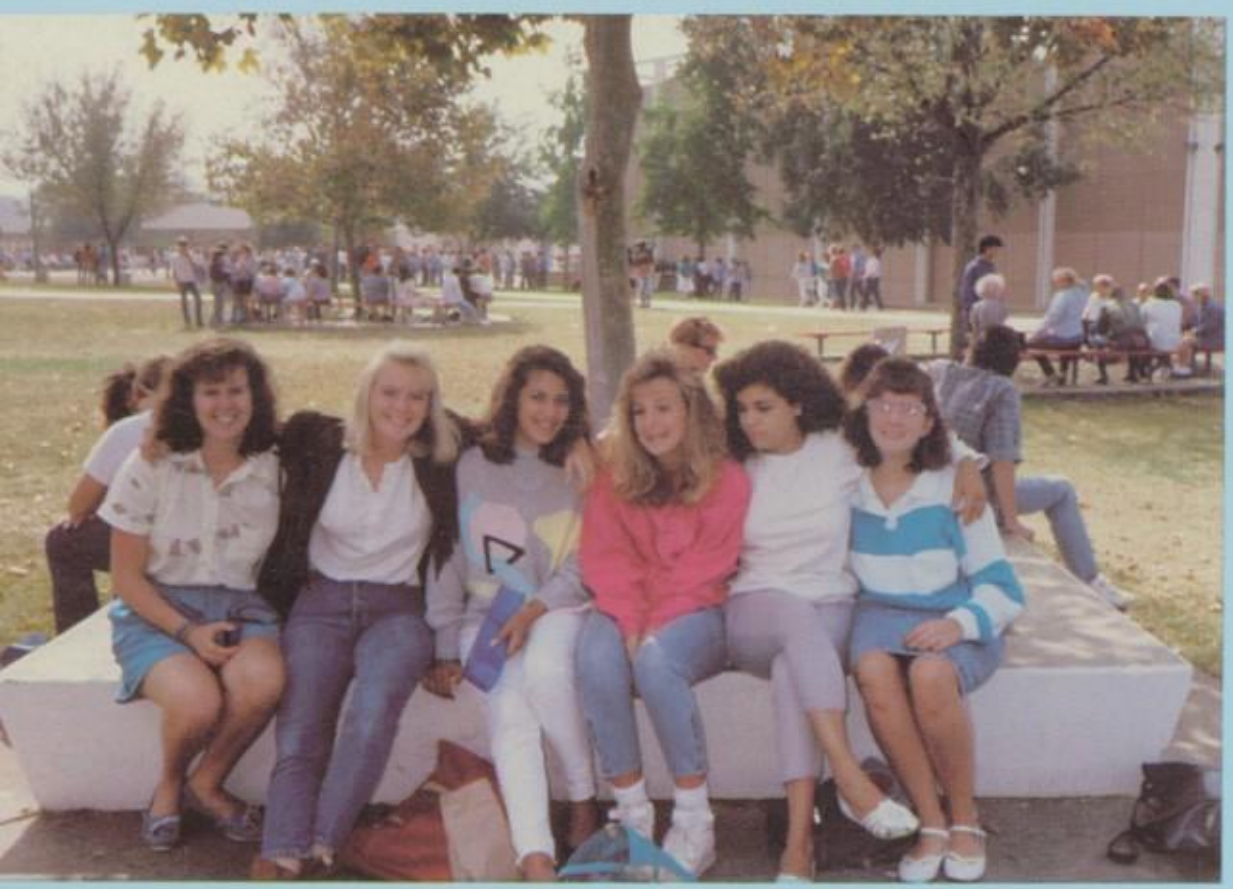
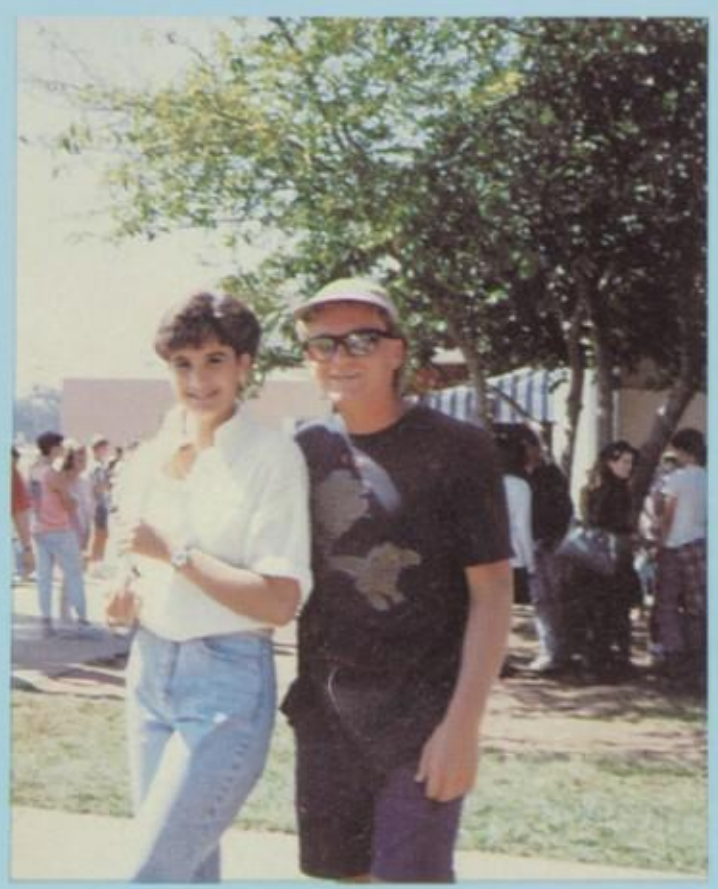
Whenever you think about high school, the first thing that usually comes to mind are the times you shared with your friends, good or bad. Whether it was the time you ditched school to go to the beach, or went shopping at the mall, or the times you stopped speaking to each other because of the littlest of things. These were the ups and downs that came with the friendships made during high school.

A friend was one who you relied on and didn't have to worry about being let down because they always managed to come through in the end. Whenever you felt like giving up, someone was there to give you that extra boost needed to get through the rest of the day. When you were down in the dumps, a friend lent you their shoulder upon which to cry. During those times when you experienced the time of your life, it was most likely that a friend was somewhere nearby. And when you denied them of your friendship, they were always waiting for your forgiveness.

But no matter how many friends you make during the rest of your life, the friends you had in high school are beyond comparison.





Senior friends like to sit around their favorite tree on the senior lawn.

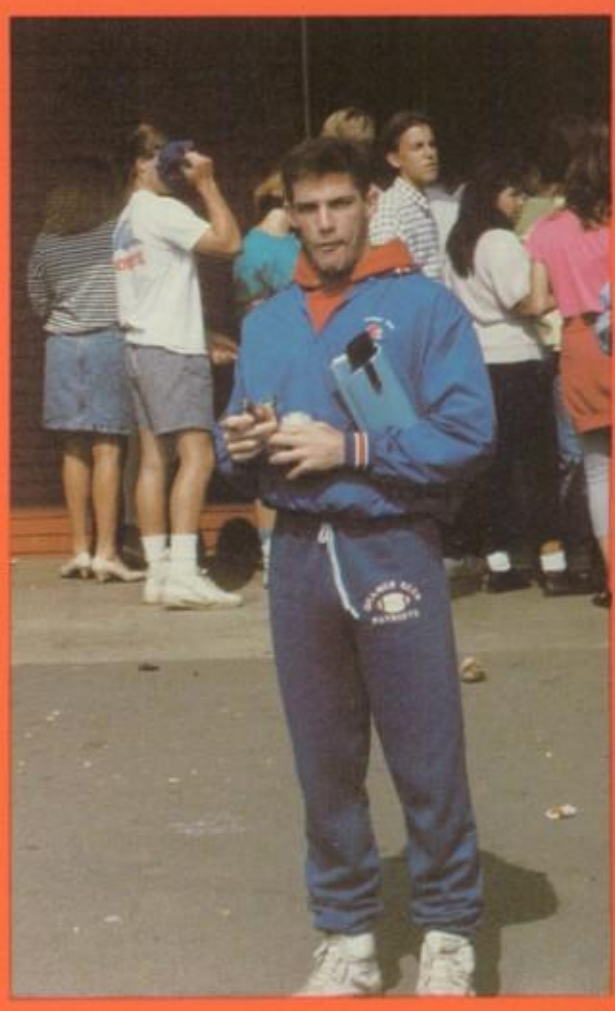
Laura Woolfrey, Veronica Barone, Jeff Townsend, Ray Wall, and Katie O'Brien dress up to their outlook on life.



D

Some people like to wear T-shirts with their favorite groups on them.

For the sophomore guys, Tao Harrington, Brent Santibanez, Jeremy Matlock, Brian Keeler, and Ryan Strathearn, Oakley glasses were a big hit.

Trying to appear studious, Rich Caster displays his typical jock outfit during lunch.

If there is one thing that is not the same at Orange Glen High School, it is fashion. People dress up to their personalities, to be like their roll models, or the way they want to. Just by looking around the campus, all the classes dress differently in style, color, and all-around appearance.

We begin with our basic jock and trendie group, and move on to our mods, preppies, surfers, wanna-be's, rockers, and freshmen wear.

Some people prefer to dress up while others would rather wear T-shirts and sweaters, but it is mainly up to the individuals mood. If someone wakes up in a bad mood or did not have enough sleep, it is straight to the casual, comfortable clothes. On the other side, if they wake up happy and ready to go, then out appears the nicer outlook.

For the freshmen, the guys don't want to over do it and dress too noticible because they know it will be trashcan time for them. The girls like to dress up to impress the upperclassMEN.

The sophomores become confident and begin to experiment with various fashion styles. They probably change their fashion look about two to three times within the year.

By now the juniors know exactly how they want to dress, and their not worried whether people like it or not.

There is definitely no other word for the seniors than, "KICKBACK." Their attitudes are just to be comfortable at school. They have their own reason on why they wear, what they wear.

By far, the best fashion is to dress the way you want to. Being able to be yourself in the clothes you wear is what people at O.G. choose today.

The "Senior Flower Power Gang" demonstrate their desire for love and peace.

Nerds Jeff Grahm and Jim Coyle smile their best for the photographer.

When you read this ditty,
try to feel the beat.
This is a rhyme,
and you will think it's sweet!

The subject we seek
is spirit week
and we hope you find this ditty
to be rappin' at its peak.

Monday was Hippy day,
and it surely was no bore.
The students would rather
have made love than war.

Tuesday was for togas,
as mothers found out.
Their children were in bedsheets,
and walking all about.

Wednesday was Nerd day,
there was much to see.
Everyone dressed up
as "trucken" as could be.

Thursday was backwards day,
which shined like a star.
Some dressed backwards,
and some came opposite of what they are.

Lastly on Friday,
the students showed their Pride.
Wearing red, white, and blue,
showed our spirit hadn't died.

The ditty is now over,
and spirit week is gone.
But we hope this little story,
helps the memories live on.

HOMECOMING '87-'88

Last year's Prince Mike Standal crowns this year's King Mike Blakeborough with congratulations.

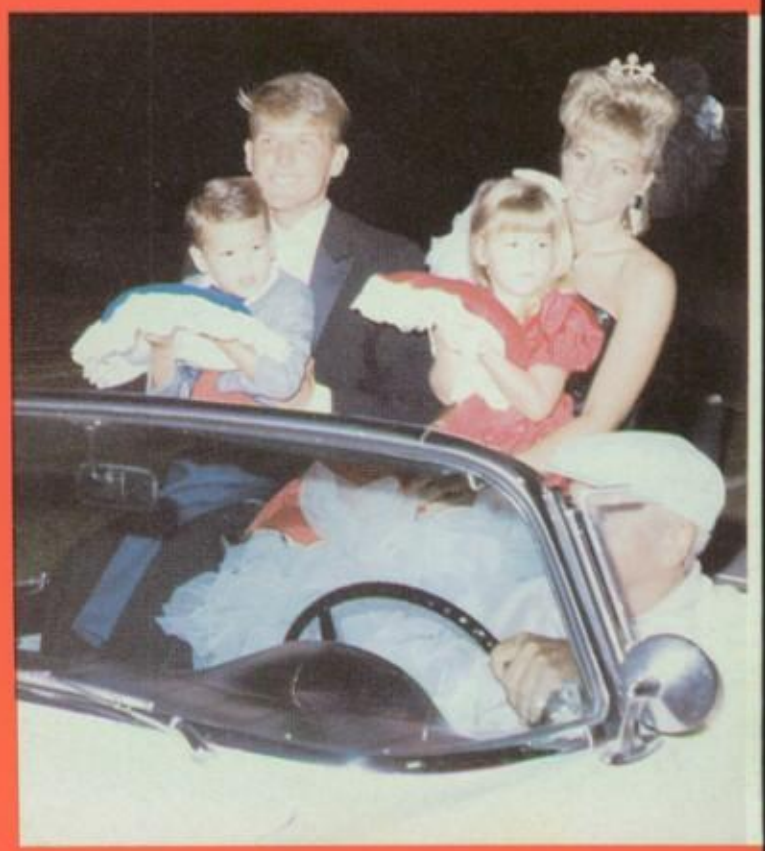
The third place junior float is almost ready to go but, dragon- Shawn Hern, knight- Jay Patterson, wizard- David Dean, king- Ed Simms, and fair maiden- Jackie Steckman, want to take a quick break first.

Seniors (front) Chris Askin, David Seymour, LeeAnn Rogers- the dinosaur, Cristina Whiteley, Joanne Napier, Lorraine Orosco, Jenny Hoelscher, Mike Allen (behind) Chris Black, Jenny Elbert, Dionne Shelling, Kevin Blakeborough, Heather Kinley and Tracey Cavanaugh pose in front of their first place float giving the serious cavemen and women look.

The theme "BACK IN TIME" brought a great success to the 1987-88 Orange Glen homecoming. After our floats were cancelled last year, this year's class came back better than ever. The first place senior float dazzled the crowd with the cavemen and women of Prehistoric times. The junior float, the Medieval times, consisted of a king and queen, and a castle. The sophomore class had Greek and Roman times. Their float showed creativity with the Parthenon in the background and everyone running around in togas. Unfortunately the freshmen did not have a float this year.

The pregame ceremonies started with a tour of the floats. The homecoming court was following and they were driven up in classical cars. Then there was the crowning of the 1987-88 king and queen, and as the lights went down we had a tremendous fire-work display. By this time the crowd was really pepped up and excited for the big game against Madison, which Orange Glen won 22-14.

The next night was the homecoming dance. A.S.B. had done a great job with the decorations, and the music was by After Dark. There was a big turnout for the dance and with everyone really excited it was one of the best homecoming dances ever.



Last year's Prince Mike Standel and Queen Stacie Smith leave the field holding the crown bearers on their lap.

The cheerleaders with the alumni cheerleaders "FIRE UP" as they get ready for the homecoming game.

Sophomores Deidra Buddin, Jennifer Bellamy, Holly Deye, and others make some last minute touch ups to their float right before the ceremonies start.

The defense setting up to stop Escondido once again.

The 1987-88 Orange Glen Varsity Football Team set a lot of goals this year, such as being the Palomar league champs, going to the Jack Murphy Stadium, and winning in the Jack Murphy Stadium. Even though they did not accomplish any of these goals they did gain respect from many people. The team did this by the following: beating San Pasqual, and Escondido to obtain the city bragging rights. Then they went on to win some very big football games such as last years C.I.F. champs Fallbrook, Chula Vista, and big power-house Vista.

The team had many great assets such as Sean Gousha who passed for over 2000 yards, only the third quarterback to do so in O.G. history. Then they had that awesome offensive line, Mark Gallo, Chris Chisholm, Jason

Lau, David Henry, and Greg Martinson, they may have been small but they could hit. There were also the endebable wide receivers like Jason Sowers, and Jake "the Snake" Nyberg, who all had many great and gamesaving catches. The team also had the great running game with running backs like Dennis Esposito, Shane Copland, Rich Caster.

The defense started evolving very slowly in spring training, but mid season they turned into an entirely different unit. The Patriot defense was one of the top ranked defenses in San Diego against the run. It proved its ranking by shutting out the Vista offense the first half of play and holding them to just 18 points the

second half. This gave Vista: who were the 4 year reigning league champions their first league loss in 4 years. It was a big win for the patriots not only because it was Vistas, first league loss but due to the fact that Vista was ranked sixth in the state of California in the 3A division.

The Patriot defense was anchored by strong men, such as Dan Stehly, Tom Esposito, Greg Anderson, Don Upson, and Dan Early. These standout and the rest of the defensive unit stopped many opponents dead in their tracks and sealed many wins for the team. These men showed that tough defense truly wins ball games.

Bob Thweatt earned a spot on the All-Palomar league team by placing in the top ten in league finals. These two young men, along with Lorenzo Urizar, Javier Ramirez, Mario Ruiz, and seniors Jeff Graham, and Russel Fortin provided the Patriot fans with a lot to cheer about.

The girls Cross Country team kept up the fine tradition of excellence in running in 1987, as they finished as one of the top teams in three invitationals. Although, the team started with little race experience they soon adjusted to the demands of the Palomar League by defeating Torrey Pines in the first league meet. Freshmen Gretchen Schiebel proved to be a front runner just ahead of Angelique Cottrell and Anna Christman. Patty Diaz, Kim Nguyen, Stephanie Salsibury, Julia Butcher, and Marcy McDonald led the pack attack. In which they learned many new cheers and stunts for the upcoming Orange Glen athletics. In the beginning of the school year the cheerleaders cheered on the crowd as well as the varsity football players to the second round of the C.I.F. playoffs. They also fired-up the students at many exciting peprallys. Hoping to start a new tradition at OG, the cheerleaders cheered for other sports besides football and basketball games. J.V. FOOTBALL

The 1987-88 Junior Varsity Football team had a stellar season. With the season ending 7-3 the coaches were quite satisfied with the team's effort. The J.V. team never gave up, striving to find a way to win. The key players were on offense: (QB) Darren Wilkinson, (FB) Ryan Strathearn, (C) Dan Lynds, (W.R., D.B.) Roman Ledman, And (W.R., D.B.) Duane Golbranson. The J.V.'s biggest win of the season was their annihilation of Vista and their toughest was the cross town rival San Pasqual, which robbed them of a J.V. city championship. This J.V. squad showed some promising talent for next year's Varsity team.

J.V. VOLLEYBALL

The J.V. team came a long way this year. With plenty of beginner players. It took some hard work to pull together a fighting team. This was Coach Art Warren's first year in coaching girls volleyball and he had a blast with them.

The team's most exciting matches were against Vista and Mt. Carmel. They went three long games with both of the teams. This years top players that played outstanding the whole year were Heidi Anderson, Melody Rhoach, and Lisa Nation.

The varsity basketball team had a very dissappointing season despite having great talent. The Patriots had a 5-19 record, but still made it to the playoffs, because of a new CIF playoff format which makes it a county tournament, so every team, despite the record is invited to play.

The Patriots played very competitively in the Palomar League, but were unable to win a league game. The Palomar League is believed, by many coaches and athletes, to be the toughest league of play in San Diego.

The players felt that they would be close competetors for a league title because of the talent on the team. Many students, faculty, and parents also believed that O.G. would become a feared opponent this year.

The players felt that one of the main reasons for their lack of wins was their inability to play as a whole unit. Many of the students agree to this conclusion, but know that the upcoming varsity team is going to be a tough opponent to overcome!

The upcoming season hopefuls are 6 foot 6 juniors; Cree Morris, and Sean Macklin, 6 foot 3, Lenny Mc Gill, 6 foot 2, Bill Mc Neal, 6 foot 1. These upcoming players have the ability and desire to put O.G. Basketball back on the map. Although O.G. has a lot of talent coming back next season, it is also losing it due to the fact that the seniors on the team are graduating. These seniors are Dan Early, Brian Leander, Manuel Sanchez, Drew Sikes, Jascn Sowers, and Mike Stump.

Be sure to come to all the varsity basketball games, because O.G. is looking forward to a successful upcoming season!

The goal for the season was to make the playoffs, according to Coach Tony Ricketts. "The Palomar league is the best in San Diego county and also the toughest", said Laura Hughes. Hughes is the leader of the team and averaged 24 points per game.

The team got off to a good start and after winning the Kwanis Tournament, the team's confidence seemed higher. The tournament was played during Christmas vacation.

"It takes hard work and dedication to play basketball", said Ricketts. They work hard in practice and also with their studies to stay eligible to play.

Ricketts feels his team is definitely playing better than last year. he also says that all the players are above average in basketball.

Hughes said that Coach Ricketts is a "very good coach."

Ricketts also said that the team works very well together and are good friends both on and off the court.

The 1988 Orange Glen Wrestling squad had yet another great season, coming in third place in the Palomar League behind second place team, San Diegutio, and first place team Poway. The team destroyed all of the other schools in the Palomar League and gave San Diegutio and Poway some tough competition.

The squad had many great accomplishments, with many members of the team going to Masters. Josh Gordin placed fifth in Masters, unfortunately not a high enough placing to earn him a spot in the state championship. But, Dan Stehly placed third in Masters, this giving him a chance to compete in the State championship, where he lost in the first round.

Coach Zabinsky was very happy with the accomplishments of the '88 squad. He is also looking forward to next years squad, with many returning varsity lettermen, such as Jason Gann, Dan Stehly, and Jason Patterson.

GIRLS VARSITY SOCCER GOES TO C.I.F . . . The 1988 girls varsity team obtained many goals and even set some school records. The team, not expected to do well after previous records, proved to the Palomar league that Orange Glen can be and is now a power-house in girls soccer.

The 88 team started out a little slow, but with first team all-league goalie Kelsey O'Conner, first team all-league defender Jennifer Carpenter, Second team all-league forward Erica Leigh, and honorable mention forward Malene Fredenksen the team came through and destoyed Vista to start their winning streak. But unfortunately lost to Palomar League Champs, Torrey Pines, by only one goal. The 1988 Orange Glen track team was built on hard work and a dedication to excellence with the help of returning CIF qualifiers Glen Reyes and Lenny McGill. The Patriot Boys Varsity team added depth with a strong distance team led by seniors Paul Gentile, Bob Thweatt, and Jeff Graham and great promise was shown by sophomores Javier Ramirez and Lorenzo Urizar. The weight men excelled with strong performances from Jason Lau, Joe Stehly, Mark Gallo, and Trou Martz. In the sprint and jumps, Lenny McGill and Glen Reyes were again two of the county leaders while James Harris and Chris Ybarra added strength and depth to the fleet of Patriot sprint crew. Wayne Thebeau and Wes Stevens were our hurdle leader also challenged league leader in the pole vault as Ed Simm broke the 6 feet mark in high jump.

The varsity team was led by returning CIF qualifiers, Laura Hughes and Tara Carlson. Laura was a county leader in both the shot put and discus. Right behind Laura in the weight event were Ashely Askegrew, Lisa Belz and Lisa Pitcher. The girls distance team was paced by senior, Kim Nyugen and the young but tough Patriot Pack attack of Anna Christman, Angelique Cotrell, Patty Diaz, Michelle Hastead, and Gretchen Scheible. In the hurdle Tina Carlson, Yvonne Schwab, and Juliet Tiffany raced to success. The long jump and triple jump were dominated by Anita Dulay, Heidi Anderson and Leesa Bogart. The quickness and strength of Amy Westerlund, Susie Ramirez and Stephennie Tiere paced the Patriots in the sprints. The high jump trio of Tara Carlson, Laura Hughes and Jessica Lauha were the best in the county.

FROSH CROSS COUNTRY AND WRESTLING

The Freshman Cross Country team, led by the outstanding running of Mario Ruiz and Jamie Weis, finished the season with a 4-3 record. The team improved throughout the season. Barett Hinkle best demonstrated this with a 2 minute improvement on the Dixon course. Due to the fine efforts of this team the future looks bright for Orange Glen Cross Country.

The freshmen wrestling team ended the season with a 3-3 record. Two freshmen, Mike Russ (98 lbs.) and Brian Bourgious (115 lbs.), wrestled on the varsity team all year. In addition Glenn Fluegge and Andy Buh placed in every freshman tournament they entered. This fine group of freshmen will contribute to the future wrestling teams at Orange Glen.

FRESHMEN FOOTBALL/ CHEERLEADERS

This years Freshmen Football team had 6 wins and 4 loses they did better than any other Freshman football team in four years. We believe that they earned the respect of many upper classmen.

The freshmen Cheerleaders showed us a lot of spirit and we are really looking forward to them as J.V. cheerleaders next year.

Leading rebounder was Ty Olds. James LaFrance improved the most throughout the season. Steve Bullock worked the hardest to keep the team in gear. Although the team was small in size, they enjoyed playing and working together to make each game enjoyable.

The Freshmen Track Team, although small in size, remained hopeful throughout the season. The team worked together and inspired each other to excel in each of their events. The coaches supported all the players to try their best. The track team prepared themselves to move on in the track program.

B: Deanna Hines, Editor

The Yearbook staff worked long and hard hours on this edition of the Torch. We often wondered what a pica was or whether or not we could use 30% black on a layout. Soon we knew all about body copy, cropping, and dominant photos.

Everyone of us contributed to the production of this years Torch: Mike Allen learned the patience needed for Peer Counseling, worked on Spirit Week and helped with under class. Melody Celise memorized all the names of the Frosh class; Anita Dulay found the faculty was a Top Gun group; Scott Effinger Tackled the Tennis pages; Becky Falling and Miriam Stenfors took a swing at the Summer pages; Brad Foster, did the Water Polo, Soccer, and some organization pages; Allison Hartesty gave her heart and soul to the Sophomores; David Henry, now there's a student if I needed something done I went to him! Michelle Kiszely, took pictures. tried to do layouts, picked up pictures and slept; Gretchen Lawson, Football layout (as awsome football layout) and Pep Club; Brian Leander, "Take a look at spirit week, and sing don't speak." Cristina Whiteley, took pictures for all the opening and the fashion pages. Crissy Velez and Cory Verner worked on the Table of Contents, Off Campus Sports, Band and each other! Joanne Napier did the Homecoming section, worked on organizations such as F.F.A. and SADD; Debbie Ochoa and Laura Terrazas spent their time on the advertisement section; Angela Pickron and Brian Ives turned the Falculty section into Autograph pages; Bob Thweat was in charge of sports Chris Scovil had fun talking, taking the pass and going out to lunch while everyone else did their work; Trennis Wright, a latercomer, came in to help out with sports and provided assistance for the Underclassmen section

Editor Deanna Hines kicked some fanny and got things done. She organized the staff into departments: opening, seniors, sports, faculty, organizations, underclassmen, and advertising.

This Yearbook Class did an outstanding job, making most of the deadlines that we need to get this book to you on time.

Bottom Row: Chris O'Donnell, Jenny Elbert, Lenny McGill

During the school year, ASB kept busy with much energy and enthusiasm by organizing dances, assemblies, and Homecoming which were all big successes. During the holidays the ASB organized a very appreciated canned food drive which benefitted the needy and it also helped the students learn the joy of giving.

The ASB showed spirit and pride this school year. Many improvements were made on Orange Glen's campus over the summer, such improvements as repainting the bleachers and press box. These things took time and energy and were appreciated by the students and faculty.

The Orange Glen ASB proved its school has spirit. With them our pride was relit and will continue to burn for years to come.

ASB looks busy for the camera.

ASB students are amazed at how fast David Seymour can pork down a pie.

Bottom left to right: Shelly Yamaguchi, Paula Piper, Laura Woolfrey, Lisa Nation, Erica Peterson, Laura Chagala, Wendy Warren, Shelby Souher, Kristen Xavier.

The Musket, Orange Glen's student newspaper, is published ten times each school year. The Musket class stresses more on things that matter to the student body, such as: more open editorials, more stories designed to inform the students of what they could be envolved in, and stories that envoked student enthusiasm. They also were more serious and more critcal about district policys that were reguarded by students as being unfair.

Miss Stevens, the advisor, took over the journalism class this year. The students in the class learn to plan pages, interview, write numerous stories and layout pages. The editor was Scott Johnson. Peggy McCahill, Heather Boling and Merilee Tanner were the page editors. Derek Maxon and Mike Lopez were the photographers. Mike Lopez also did the cartoons.

The Patriot Band had a great ar. Under the direction of Mr. nning, Orange Glen High hool's Band attended four rades, played at most of the otball games, and for the first ar the Pep Band played at sketball games.

The Patriot Band won first in parade at Roland Heights, with the Flags placing 2nd. The Second parade Orange Glen High School's Band attended was the West Arcadia Parade. This was invitation only and the Band recieved a stunning 5th place in their division. Fourty Bands attended the parade and it was the most important of the parades attended this year. At the Christmas Parade in Oceanside, Orange Glen's Band and Flag Team recieved 1st place. The last parade the Patriot Band attended was the Escondido Christmas Parade. The band recieved the Sweepstakes award, the most Honorable award that is given. Drum Major Juliet Tiffany recieved first in all the parades with the exception of one.

The Patriot Band practiced Tuesdays and Wednesdays after school and Thursday nights from 6 to 8:30. The Bands victories this year were well deserved.

The Concert Chorus is made up of a group of young, talented Orange Glen students, both male and female, who perform at school concerts.

The String of Pearls, which was started in 1983, is made up to twenty girls and three instrumentalists, who are selected by audition only. They participate in many school and community concerts.

The most advanced musical group is Opus 1, which consists of twenty members also selected by audition. This year they had about thirty musical performances. Their most memorable and enjoyable performances were their Spring and Winter concerts. All three of the musical organizations not only did a great job performing but also had fun.

Jim Coyle as the King's Sextimus and Scott McKenzie as Dauntless, daze into the future.

Sarah Woods as Princess Winnifred, collapsed and fell asleep.

The Drama class started the year off right, the beginning play was "The Princess and the Pea". The main characters were Jim Coyle as the King's Sextimus, Heather Hawthorne as the Queen, Scott McKenzie as Dauntless and Sarah Woods as Princess Winnifred. The play was a great success and they have many more productions they hope will turn out the same way. The Drama class has a very helpful stage craft crew which decorated the stage with many colorful props. They have made a very important outlook on every performance put on this year.

Many of the students are hoping for a full time career out of the class and will continue to go to college. But the people who are not, still put their best effort into every play and it shows.

The Drama class is growing more and more every year. They are expected to be even bigger next year with students of all ages. They are nothing but hard, successful, outgoing actors and actresses.

NCAL (North County Academic League) is an academic competition patterned after the College Bowl. The team competes in the Palomar League against the same teams as athletics in the spring. The questions cover all academic areas, including: mathematics, social science, language and literature, fine arts, and science. The teams compete at all three levels; Freshman, Junior Varsity, and Varsity.

This year the team won the prestigious tri-County Fallbrook Invitational Tournament. Outstanding varsity players included Matt Mulford, Zalane Nunn and Cindy Dreps. For the Jr. Varsity team; Peggy McCahill, Kim Cornwell, and Deidre Buddin played very well, At the Freshman level; Heide Swinscoe and Suzy Shenk were excellent.

FOREIGN EXCHANGE

This year most of our foreign exchange students came from West Germany; but others were from Finland and even Denmark. For the first time in a while, all of them were seniors; however, some have already graduated from their schools back home. A lot of the foreign exchange students joined club activities such as chorus and string of pearls. Others participated in after school sports like soccer and track. By the time anyone reads this, if anyone reads this, most of the foreign exchange students will already be back home in their own countries. They all have made their mark in Orange Glen's history.

C.S.F.

California Scholastic Federation (CSF) was established with chapters in every high school in the state of California. It's purpose is to recognize those students with superior academic grades. In order to be eligible, one must be in 10th, 11th, or 12th grade and earn a certain amount of points (a=3 points; b=1 point) from a semester report card.

The members have an opportunity and have been encouraged to participate in many activities. Special priviledges for lifetime members include parking in the faculty parking lot and other extra special priviledges at graduation. This organization is run by Mr. Damelio who is the advisor, and Mrs. Tam, the assistant advisor. With their assistance, they have made it possible for this group to exist at Orange Glen.

In it's 4th year at Orange Glen, Peer Counseling continues to grow. There are 40 counselors and their numbers are expected to be even greater in the future. The counselors meet with fellow students who are having problems. They help the students by listening to their problems. The counselors enjoy working with troubled students and forming close bonds with fellow counselors.

S.A.D.D.

The purpose of Students Against Drunk Driving, is to reduce the number of deaths due to alcohol and drug related traffic accidents. Through poster displays and other campus activities, the members of S.A.D.D. try to raise student awareness of the dangers of drinking and driving or riding with an impaired driver. S.A.D.D. members are also trained to help students who may have concerns about alcohol.

With the appearance of S.A.D.D. organizations on high school campuses, the number of student deaths related to alcohol has decreased.

The officers were: President- Terri Dreps, Vice-President- Denise Belnap, Secretary- Shadow Souther, Treasurer- Ann Manor, and Activities Chairperson- Shelly Liddeke.

C. Taking care of his "PET" plant, Dennis Esposito glances up to see if anyone is watching.

Future Farmers of America is a twelve year old organization at Orange Glen. Mr. David Carrol originally established FFA and has been working with Mr. Don Martin for the past eleven years. Future Farmers of America is a program for self development. It's not just an on campus program; some of the students work after school at places such as nurseries and roadside produce stands.

Becky Bourguignon, Michelle Proulx, and Carey Songer are students that have been in the program for four years. They have won numerous awards and prizes at several state fairs and livestock auctions.

Future Farmers of America has greatly improved over the years. With the help from the students, Mr. Carrol, and Mr. Martin; FFA has a bright future ahead of it.

FHA

Future Homemakers of America is a national organization designed to inform students about economic related occupations. The Orange Glen chapter emphasizes helping its members develop leadership skills.

In January, the Orange Glen chapter hosted the Region 10 Competetive Events. Two members from Orange Glen participated in this event. Molly Hansen won first place in the job interview event and Sara Prohoroff placed second in sewing proficiency.

In the State Semi-Finals, both of the girl won first place and qualified to attend th State Convention in San Francisco durin April.

The elected officials were Deanna Hines president; Brenda Barringer, regional secre tary; Shanon Lockard, secretary; Karol Mar ell, historian.

Shannon Lockard, Karol Manell, Julie Stephans, Deanna Hines, with Olympic Gymnast Tim Daggit at the Los Angeles state convention.

DANCE

The 1987-88 school year brought tremendous growth to the Orange Glen Dance program. A "Dance Team" was formed, led by Annette Dunham and Blessing Lewis. Six team members: Annette Dunham, Monica Galardo, Stephanie Jones, Stacy Linner, Blessing Lewis and Summer Lewis performed in the half time show at Super Bowl 22. The dance team also dazzled audiences at parades, football half times and basketball games. An "advanced dance" class was also added to the program this year. The class performed in both winter and spring production. Sharna Whitehead and Holly Turentine were the first class members to perform on point in these productions in Orange Glen history. Look for this talented group of Orange Glen performers on stage in the community and in the future.

Do you really know what $E=mc^2$ means? Why it works? Why we have a pituitary gland? What the electron configuration of water is or even what an electron is? Well, if you are stumped by any one of the above questions, and I'm sure everyone doesn't know everything about everything, science is something for you!

What's that strange word on your class schedule? Oh that's just science. Doesn't sound too exciting? Guess again. There's something for everyone, Physics, Biology, Introduction to Physical Science, Oceanography (that's for you guys who want to learn about the beach and surfing!), and Chemistry.

Maybe they sound weird to even think about, but they are easier than they seem. You might even have fun dissecting (or in other terms-rip apart) a frog!

Who was the 1st governor of California? What provoked Colombus to set sail from Spain? These are only a couple of questions a student can find the answers to in a Social Science class. So why do we need to know about the past? Most of us either don't know or don't care, all they know is that it's a required class.

There are several classes that can be taken in the Social Studies Department; U.S. History, Psychology, Civics, and World Culture are only some possibilities.

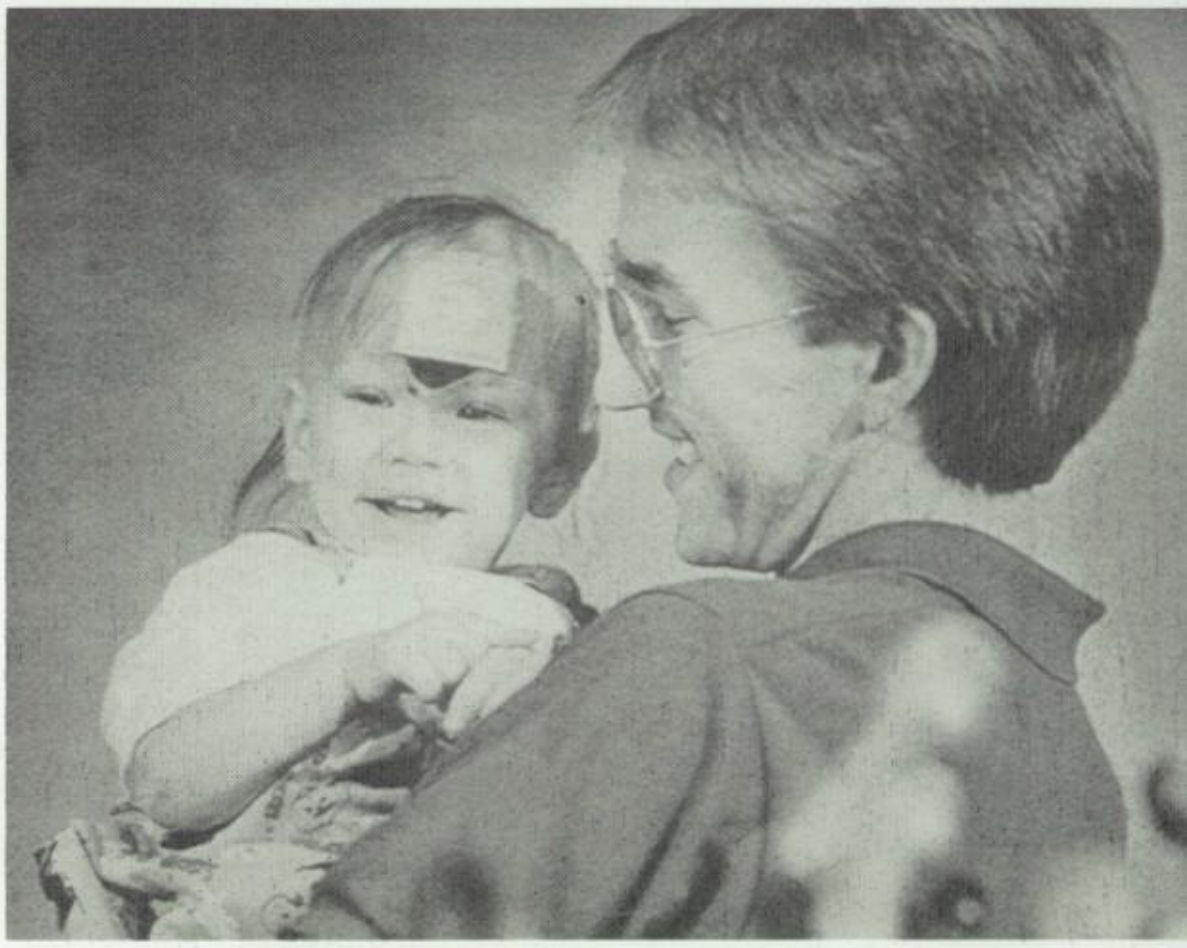
BROADCAST

JESSICA McCLURE

In October of 1987, 19-month-old Jessica McClure was rescued from an abandoned well in Midland, Texas. It took rescurers 58 hours to drill through solid rock to reach the girl. When she was released, healthy, a month later from the hospital, her father spoke to thousands of Americans whose contributions paid Jessica's $50,000 hospital bills.



BABY M

Mary Beth Whitehead is surrounded by supporters in Hackensak, N.J., at the end of a trial to determine custody of her 1-year-old daughter, known as Baby M, and born under a surrogate contract. The judge released his decision rewarding permanent custody to the father. In March, 1988, Mary Beth Whitehead was granted 8 hours of unsupervised visitation with her daughter each week.

NEWS

GARY HART

Senator Gary Hart is shown with his wife, Lee, in Portland, Maine, soon after re-entering the presidential race under the premise of "Let the people decide." Hart originally dropped from the race after press disclosures of his relationship with Miami model, Donna Rice.

T.V. EVANGELISTS

TV evangelist Jim Bakker was engaged in an affair with a church secretary, Jessica Hahn, and allegedly paid her hush money to keep the affair a secret.

Bakker then left the PTL ministry which was taken over by another TV evangelist, Jerry Falwell. The ministry has filed for bankruptcy under the protection laws.

Jimmy Swaggart, another TV evangelist has been forced to resign due to sexual misconduct. He's been placed on probation for 2 years and counseling with the elders of the church.

US President Ronald Reagan and Soviet Leader Mikhail Gorbachev shake hands as they meet outside the White House in Washington D.C., prior to a series of pre-summit meetings.

PALOMAR MOUNTAIN FIRES

Eventually consumed three homes and 16,000 acres, and caused $5.3 million in destruction at the top of the 5,500 foot rise and below in Pauma Valley on Oct. 3rd.

The fires began after a grove manager in Pauma Valley burned slash from an old avocado grove. The manager had a permit to burn the slash and did so, on a day that was declared a "control burn day" even though fierce Santa Anas were forecast. The fire was brought under control in less than 24 hours.

TRAN-CONTRA

Lt. Col. Oliver North became a household name and even a hero for a good part of 1987 due to the Iran-Contra hearings which lasted most of the summer. North, Ad. John Piondexter, Secretary of State George Shultz, plus 500 other people all testified during the sessions. President Ronald Reagan, North, Piondexter, and many other leaders were criticized for their procedures in the situation.

CITY HALL

The city broke ground on the project in November 1985, but it was in 1987 that the structure really took shape.

Reflecting pools and fountains were put in place and trees were planted.

Many debates were taken place over how much money to spend on office supplies. There has also been a lot of controversy over the address of the building which has been changed to 201 N. Broadway.

FOOTPRINTS

One night a man had a dream. He dreamed he was walking along the beach with the LORD. Across the sky flashed scenes from his life. For each scene, he noticed two sets of footprints in the sand; one belonged to him, and the other to the LORD.

When the last scene of his life flashed before him, he looked back at the footprints in the sand. He noticed that many times along the path of his life there was only one set of footprints. He also noticed that it happened at the very lowest and saddest times in his life.

This really bothered him and he questioned the LORD about it. "LORD, you said that once I decided to follow you, you'd walk with me all the way. But I have noticed that during the most troublesome times in my life, there is only one set of footprints. I don't understand why when I needed you most you would leave me."

The LORD replied, "My precious, precious child, I love you and I would never leave you. During your times of trial and suffering when you see only one set of footprints, it was then that I carried you."
